Sierra Crest Dental held a drawing to acknowledge our great patients who referred their friends and family to our office. We also included patients in the drawing who wrote reviews and recommendations on various online sites.

We appreciate all who participated and look forward to future referral events. We announced the last drawing via email so be sure to open those emails we send. Congratulations to our winner Gail Baker, who is enjoying her new IPAD!!

YOUR HYGIENE TEAM PARTICIPATING IN ADVANCED LASER TRAINING

The use of lasers in your periodontal care has developed to a new level at Sierra Crest Dental. Your hygiene team, Virg, Denee, Melanie and Diane completed an advanced all day training on Friday June 29th. What does this mean for you?

Lasers helps reduce periodontal pocket depth, bleeding, bacterial biofilm, and can speed the healing time of cold and canker sores. Now all of your hygienists have Associate Fellowship Laser Certifications !
